Dear Friend of St. Vincent de Paul Catholic School,

We need your help! The PTO of St. Vincent de Paul Catholic School is hosting a fundraising gala and auction—**A Night to Bond**—on February 11, 2017. This James Bond-themed gala and auction will include a “Casino Royale,” dinner and dancing, as well as silent and live auctions. Our gala and auction is the premier social and fundraising event for our school with over 500 people attending and is instrumental in raising funds for continued improve-ments and the enrichment of our students.

Corporate sponsorships go directly to raise funds used to benefit the school that would otherwise not be possible. For example, funds raised at last year’s gala and auction provid-ed the following enhancements to our school:

- Three new electives—Photography, Global Inventors and Computer Applica-tions, where students learned about 3-D design and printing, computer coding, and robotics
- The expansion of the STEM (Science, Technology, Engineering and Mathe-matics) Program
- Support for the Adopt-A-Student program to provide financial assistance to current families that otherwise could not attend our school
- New ActivBoards for classrooms which are 88” electronic interactive touch screens

With your tax-deductible contribution, your business will receive significant exposure in our printed auction catalogue, online webpage, as well as the BidPal online bidding pages. In addition, you will also have underwriting opportunities to have your business featured in various capacities at the event, as well as to school families and friends, church parishion-ers, and our surrounding community.

To make it as easy as possible for you to participate in this event, we have enclosed our Corporate Sponsor Form. To ensure proper recognition, please complete the form and re-turn it to the school by **November 28, 2016**, or contact Raffaele Sepe or Scott Probst.

We sincerely appreciate you supporting St. Vincent de Paul Catholic School in its mission to build faith, knowledge and spirit. We are a close community and have continued to sup-port those who support us.

Gratefully,

Raffaele Sepe
