

A Living Memorial

Giving to God's work in memory of a loved one – mother, father, daughter, son, sister, brother – is a wonderful way to keep this person's memory and influence alive. By giving a good academic and religious education to a child you are continuing the good works of

your loved one forever; and, he/she is remembered in the Masses and prayers of the priests, faculty and students of St. Vincent de Paul Catholic School this year.
